## **TOM WERBER**

### **Editor**

#### **Profile**

I have over 10 years of experience as an editor. I am confident, easy-going and conscientious. I enjoy working with directors and creative teams or being given autonomy. I work well under pressure and enjoy the creative challenges of high-level work.

I have credits across all genres including feature films, commercials, short and long form, and music videos, and I have worked with some of the best creatives in the business.

## **Qualifications**

2004: London College of Communication - BA Film & Video

2000: Suffolk College - Art and Design Foundation

## **Interests**

I enjoy spending time with friends and family. I like to cook. I write and draw. I regularly practice, teach and compete in martial arts: Judo and Batto-do. I also enjoy swimming, climbing, surfing and snowboarding. I love to travel and spend time outdoors. In the past few years I've been to Portugal, Brazil and Japan, but I also love the UK, Wales and Scotland. I love to read, both fiction and non-fiction, philosophy, psychology and science subjects' interest me greatly.
